

UNDER THE SEA

Class Summery:

'Under The Sea' is a fun lesson aimed at children Ages 4 - 8.

The sessions dives in to the diverse and exciting underwater world, looking at what animals we can find under the sea, and what features they have that help them live there.

The children will use a range of resources, and explore their existing knowledge and imagination.

Links to School:

'Under The Sea' relates to Key Stage 1, with curriculum links to living things, processes and mathematics.
