

# PARADISE UNDER THREAT

## **Class Summery:**

We adore our beautiful waters, but they are seriously in danger. Examine the threats to our coasts and waters in this informative and thought-provoking class. We also look at the effect sea pollution has on the animals who call this their home.

## **Links to School:**

This class links to Key Stages 3 and 4, years 8-10.  
This class has curriculum links to Geography and Biology.
